Is assisting qualifying individuals with cleaning up their record under Proposition 47. Proposition 47 reclassified many nonviolent felony offenses to misdemeanors. Please sign up for your appointment with the Fresno EOC Local Conservation Corps. Appointments only, please.

Do you have a conviction for a nonviolent felony?

Is that conviction preventing you from securing a job?

Does that conviction make you ineligible for housing programs or other government aid?

Does that conviction make you ineligible for a school loan?

You may be eligible for a misdemeanor reduction!
